

# **ANNOUNCEMENT FOR THE CITIZENS OF THE USFLR**

Thursday, September 26, 2024

Lard Lapudding, on behalf of the Central Lardish Committee

The Central Lardish Committee is proud to announce that the parties in the Committee have ratified the agreement on which new Ministers of State will be appointed following their mass resignation in July. We kindly welcome the newly appointed Ministers of State to the Presidential Cabinet. The following people have been chosen and appointed by a bipartisan agreement in the CLC, a historic moment that depicts the compromise that the parties have to the people:

- Alexa Correa as Prime Minister
- Diego Gachuz as Secretary of State
- Samantha Wesley as Minister of Defense and Armed Forces
- Sebastian Lard as Secretary of Treasury
- Juanita Banana as Minister of Education

The formerly mentioned people will stay in office until the end of the current president's term, as per the law. The new Ministers of State shall also undertake a joint administration for the President and Prime Minister's duties if both cannot perform their duties simultaneously until the Central Lardish Committee elects a new President and Prime Minister.

This is to reiterate our commitment to the citizens, one of the current government's priorities, and we are not stopping there. Instead, we are going even further with more to come in the future for the general well-being of our fellow citizens.

The Central Lardish Committee still has to appoint a Minister of Foreign Affairs and a Minister of Internal Affairs and will do so in a televised general announcement. Once all Ministers of State have been appointed by the Central Lardish Committee, the President of the Republic, Lard Lapudding, will broadcast a televised national announcement to publicly share the complete list of appointed ministers and a welcoming message.

As it currently stands, we are still waiting for the parties to reach an agreement to appoint the missing Ministers of State.

May God bless you all and our beautiful country with prosperity.

Lard Lapudding  
Spokesperson of the CLC  
President of the USFLR
